

Explanation from the administrators of the Save Shikharji movement

Regarding the press note issued on AIJMF 10.10.2018 on the preservation of Shikharji Giriraj's holiness:

According to AIJMF, verbal consolation has been given from the government. Such consolations have been given many times before, whose press notes and photographs are currently present. Still activities shattering Shikharji's holiness are being carried out freely.

Under the Save Shikharji umbrella all sects of Jains i.e. Shwetambar, Digambar, Terapanti and Sthanakwasi are united and have unanimously demanded Shikharji to be officially declared as 'Place of Worship' and they will not settle down with oral assurances anymore. Hence, **Save Shikharji movement is on and will continue till the goal is achieved.**

In Pune Women's rally organized on Saturday, 13.10.2018 and Mahasabha along with Maharally for all Jains on Monday, 15.10.2018, will continue as per the planned schedule.
